It's time to think big!

Larger than life

The Tissot Chrono XL is characterised by its big case that has a diameter of 45mm. The size of the dial makes time easily readable, with contemporary Arabic numerals at 12, 3, 6 and 9 o'clock. The chronograph function adds to its urban style. It's time to see big with the Tissot Chrono XL.

Stylish

The Tissot Chrono XL collection offers multiple styles. Some may prefer the vintage touches of old school leather bracelets in various shades of brown with stylish stitches. Extra character is added with grey or black PVD coating on the case of certain watches. The dials vary depending on the model, from dark green, blue or black.
